RUBAE
RUSSIAN BUSINESS AVIATION EXHIBITION 2022

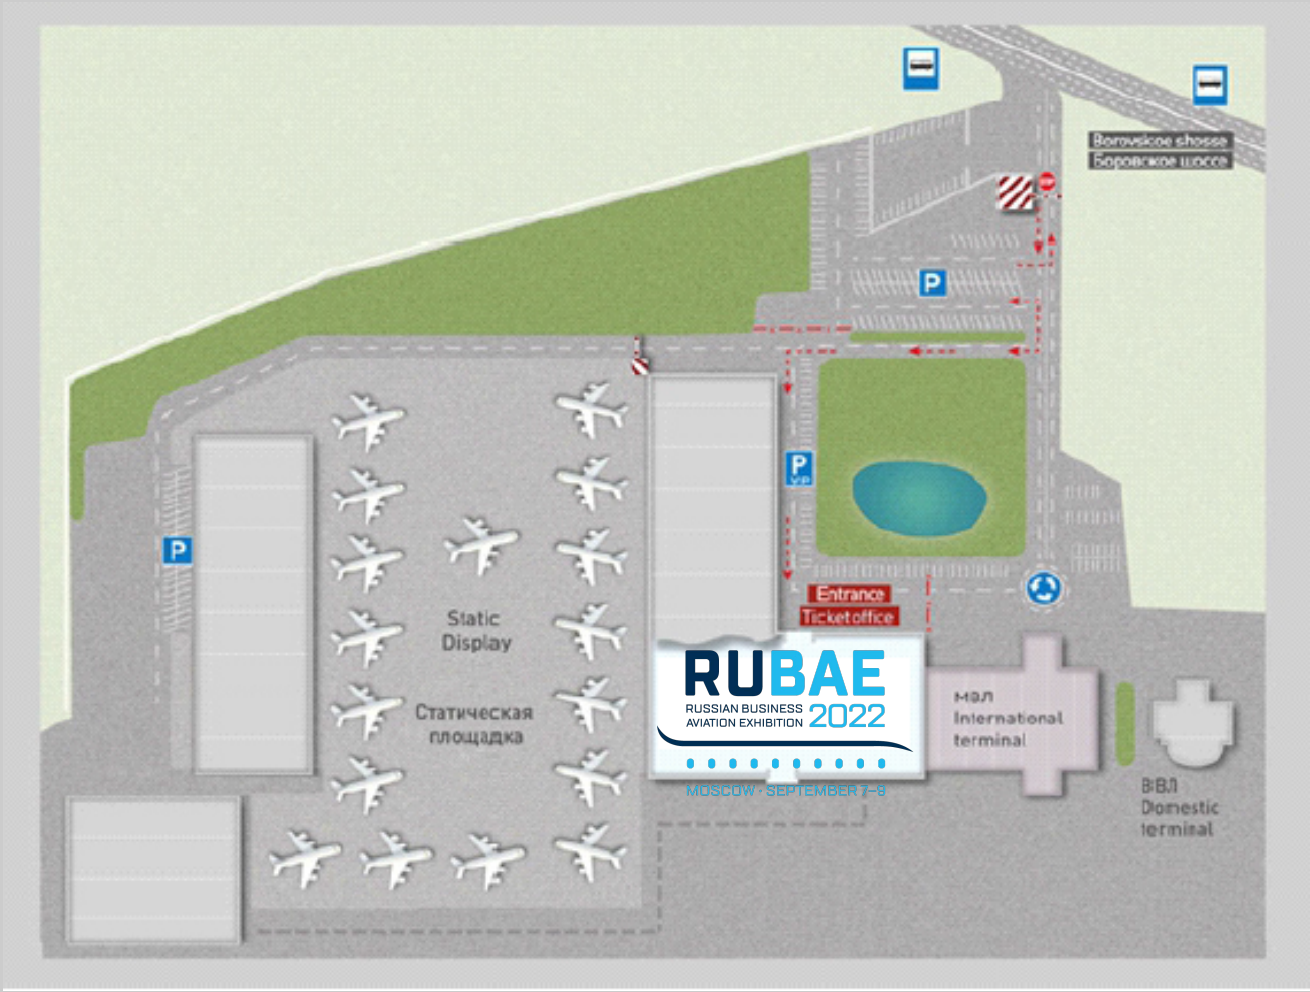
MOSCOW · SEPTEMBER 7–9

ORGANIZED BY
Vnukovo–3
MOSCOW

RUBAE – is a unique business aviation exhibition in Russia and CIS which will be held in Vnukovo-3 airport

From the 7th to the 9th of September the leading aircraft manufacturers and business aviation service companies will be welcomed to Vnukovo-3 Airport

Traditionally the exhibition will be divided in two parts:
Exhibition Hall and Static Display



The Static Display will represent business jets from world-famous manufacturers: Cessna Aircraft, Bell Helicopter, Embraer, Bombardier Aerospace, Dassault Aviation, Gulfstream Aerospace Corporation, Hawker Beechcraft

The Exhibition guests are: high-ranking government officials, private investors, business jet and yacht owners,top-managers and representatives of market leading business aviation companies, yachts manufacturers, and other companies engaged in the production and distribution of luxury goods

The organizers expect
approximately 10000 guests
to visit RUBAE 2022

RUBAE gives a unique chance to meet representatives of one the fatest growing and perspective industries of Russian aviation market on a single platform to discuss the future development in a casual way
